AVAILABLE SCHOLARSHIPS

OCA is able to accept Step Up For Student Scholarships and McKay Scholarships. Both of these scholarship programs are independent opportunities provided by the State of Florida to qualifying students. Parents interested in these scholarship opportunities should go on line or visit our main office for more information.

Students wishing to utilize a full McKay scholarship must be registered and enrolled with the school prior to August 1 of each year.

PAST DUE ACCOUNTS

If an account becomes 2 months past due, the student will be subject to suspension from OCA until the account is current or approval is given from the administrator for a deferred payment plan. If the student remains suspended from the classroom for the period of one month, the student will be administratively withdrawn from the school.

If your account becomes 30 days past due twice in a semester the administration has the right to refuse re-enrollment the following semester. In such cases, an appeal letter will need to be provided to the School Board for approval of reinstatement prior to the start of the following semester.

Accounts must be paid in full for a senior to receive his/her diploma.

Outstanding accounts will be turned over to a collection agency if any portion of the outstanding balance becomes over 90 days past due.
